Thank you, for the many expressions of Christmas joy you shared with me during the Holidays. The cards, invitations, and gifts of cookies, candy, and cake helped to make my day. I will put to use the gift cards generously given to me from the congregation. I will have several good options for Sunday Dinner.

The New Year has begun and the task of discovering what we need in a new pastor for the congregation is in the forefront of our resolutions and planning. The process will not be something that may occur "overnight." There will be time for us to discuss, dream, and come together in the development of an ideal profile of a type of leader needed to walk with us into the next era in the story of Harvey Park Christian Church. It will be an exciting journey.

The Christmas Season was as special as ever. The Hanging of the Greens helped us to all get involved in the decorating of the sanctuary when a number of memories were shared as we remembered working with each other in years past. The special music inspired us in our celebration of our Lord's birth. Truly, it was a grand season.

As we look forward to the coming year, let me once again encourage every member of the congregation to pray for the church, and its leaders. Let us seek God's guidance in the discernment needed to find the right shepherd for this segment of the flock. Let us pray for one another that we not lose patience in the process and be willing to step up and help in continuing our ministry and service to our community and each other.

God bless each and every one as we enter this time together.

Love, John
