Christmas"

John's Jots

Round-up Sunday was a great day. Three of our family received their brand - - HPCC- -, Dwayne Davenport, Bill and Iris Fisher. They are now official members of the HPCC herd. What a wonderful way to welcome new members into the family. The branded pieces of leather can always remind us of just who we are and where we can "feed."

It is not too early to give a "heads up" for a special event in December. The Board of Elders will be sponsoring a "Coming Home for Christmas Sunday," December 11. This will be an opportunity to bring all members of HPCC together for worship and fellowship during the Christmas Season. Special invitations will be sent to everyone who claims HPCC as "their church." Every home will receive a personal visit encouraging us to attend this particular Sunday. It will also be a good time for members of the congregation to invite others, i.e. neighbors, relatives, friends to come with them to worship on December 11. Please mark this now on your calendar.

Planning ahead for those special events in our life is a good thing. It helps us to prepare ourselves to enjoy as much as we can. It keeps us alert to opportunities to celebrate life and to include others in our celebrations. One other event that is coming up soon is a "Global Ministries Emphasis." The Outreach Team is encouraging us to learn as much as we can about our Global outreach as a congregation. This all happens October 3, 16, & 23 during our Education Hour with our regional minister, Jose Morales bringing the message on October 16. Here again is an opportunity to invite others. Mark your calendars and plan to be here during this emphasis time.

After a long hot summer it is good to know that HPCC is up and going full force into our future.

Love, John

CHRISTMAS

THE ENLIGHTEN FOUNDATION "TAKING BACK CHRISTMAS"

The next Enlighten Institute is almost here! Please join us for our upcoming fall Institute series: **Taking Back Christmas**. This Institute series was created in response to the hopelessness, fatigue and stress that many women experience during the Christmas season. "Taking Back Christmas" will challenge women to (re)discover Emmanuel, God with us; reevaluate their gift-giving; infuse their traditions and "Christmas-living" with meaning; and renew the legace they wish to leave their family and friends. The classes are offered during the month of October so that women will feel prepared, inspired and supported to stand firm in their convictions this Christmas season.

The Institute is open to all women but is taught from a Biblical perspective by highly qualified Christian teachers and professors. The purpose of every institute is to help women develop and use their voice, thoughts and creativity to create personal paths to action for Christ.

6399 South Santa Fe Dr,

JUST A THOUGHT

A FULL LIFE

We live in deeds, not years; in thoughts, not breaths; In feelings, not in figures on a dial. We should count time by heart-throbs. He most lives Who thinks most – feels the noblest – acts the best. Life's but a means unto an end; that end Beginning, mean and end to all things – God.

Philip James Bailey
